

# ESS Team Success

**Duration** 3 hours – 15 min break

**Maximum** 25 attendees\*

## Content Overview

ESS achieve success when they understand how their day-to-day interactions impact the reputation of the School, their job satisfaction, and their levels of stress.

**This interactive session shines a light on behaviours that can ‘make or break’ a team and empowers attendees to identify and implement practical actions to maintain positivity when the team are under pressure.**

*Together Everyone Achieves More*

- **Healthy Teams** Why health and wellness are a national workplace focus
- **The Go Signs** The 7 Signs of a successful ESS team and #1 behaviour that lowers stress
- **The Stop Signs** Identification of the 3 behaviours that stop teams from achieving success and how to remove them
- **The Power of ESS** Practical actions to maintain team positivity in challenging times

## Outcomes

- **Clarity** How ESS as a team are vital in the School achieving their goals
- **Confirmation** Why assertiveness is the key to team success and how positive actions and attitudes are a core component of healthy teams
- **Actions** Practical actions ESS can take to maintain a team culture of positivity

## Inclusions

- **Key Slides and Handouts** for reference and use post session
